## CREATING OPPORTUNITIES

### WHAT WE OFFER

#### One to One, Helping and Supporting Children with Disabilities

Sports Quest can provide coaches to support children on a 1:1 basis both during PE lessons and before and after school clubs. We also provide 1:1 individual sports programs during school time, each program will be adapted to the child's needs. This can be for children with physical disabilities as well as social needs. We can help to develop their skills in all areas of Physical Education, keeping written records of their targets and achievements to report to class teachers. This ensures that all children continuously achieve alongside their peers. We can advise teachers how to adapt lesson plans to include children with **SEND**.

# ABOUT US

Sports Quest provides high quality coaching in a range of sports for both boys and girls, presenting opportunities for all children to participate, develop, compete and excel in sport. Sports Quest pride ourselves on delivering a quality service that focuses on advancing sports development through all of our available services. All of our sessions are inclusive to ensure that every child can enjoy a safe, healthy, educational and fun experience of sport, regardless of age or ability. As a company, we are confident that our services can benefit your school, offering advice to all teachers, bringing some fresh new ideas and sporting excellence into your school's timetable. We can offer training and support for teachers to empower them to deliver engaging and progressive physical education lessons, both practical and theory based. Sports Quest is passionate about building on the current sporting success of women in Great Britain. Our vision is to inspire and encourage more girls to participate in sporting activities and in time create a new generation of sportswomen. Sports Quest aims are that all children can participate in a range of sports at any level. We can provide personal coaching for children with Special Educational Needs and disabilities.

# Information About Our Offers

## Extra-Curricular Clubs

Sports Quest can deliver a wide range of extra-curricular clubs before and after school that provide a great way to enhance a child's learning and in fun and safe way. Research has shown that children who take part in extra-curricular sports activities can thrive in many aspects of their learning and development. Extra sporting opportunities improve self-confidence, teamwork and good behaviour, as well improved levels of fitness. There are many benefits for the school for having sports clubs organised by Sports Quest: clubs are easier to manage; it is cost effective; it promotes healthy living and children can continue to learn in a safe environment.

## Sports Coaching

Sports Quest can provide coaches to help train and develop all of your schools/clubs teams. We can accommodate for all sports and abilities.

## PPA Support

Sports Quest can deliver a range of structured curriculum activities. Sessions can include a range of ball games, athletics, invasion games, striking and fielding games, dance and gymnastics. Support will be based upon the requirements of each school. Learning outcomes for all PE lessons follow the national curriculum and lessons will be designed to cover all aspects of the sporting activity. Sports Quest are also able to provide feedback to teachers as part of each child's assessment of the subject. It can be difficult for schools to provide teachers with the recommended amount of time for planning, preparation and assessment. Sports Quest offers a solution to this whilst enriching the Physical Education offer within schools.

## CPD Training

Sports Quest can provide professional learning opportunities for teachers and non-teaching staff to ensure that all staff have a greater level of understanding of the importance of physical activity for children. Teachers and support staff will learn how to motivate children to become involved, to learn various sporting disciplines and to live healthier and more active lifestyles. We can provide hourly sessions or half day and full day training days for staff to learn how to teach PE lessons in general as well as specialising in any specifically chosen sports. Sports Quest enables schools to develop a legacy of high quality sport across all staff.

## Coach Hire

Sports Quest provide coach hire for any school and club, to cover absences, injuries or for general help.

# Complete Organisation and Running of Sports Events

Sports Quest can plan, organise and run any sporting event required by your school, including setting up equipment and providing coaches and staff for the event itself. From sports days to sponsored events, Sports Quest can ensure that your school's sporting occasion is a huge success.

## Healthy Lifestyle Program

Sports Quest can provide presentations, lessons and fun inset days to improve the knowledge and understanding of healthy lifestyle to all children and staff.
